

Dear parents,

As you may already have heard via the media, a large part of municipal services can be hit by an industrial dispute.

That will mean **that classes in schools can be cancelled, and daycare, afterschool facilities, youth clubs etc. closed as from 10 April.** The dispute will not affect special schools, classes or institutions.

The official arbitrator can postpone the effects of the dispute by 2 x 14 days. We cannot say beforehand whether there will be a dispute, or how long it may last.

If you have any questions concerning the dispute, please contact the senior personnel at your child's school, daycare or afterschool facility.

You can also keep yourself updated on questions and answers concerning the dispute on the Aarhus City Council website at www.aarhus.dk/konflikt.

Kind regards,

Søren Aakjær

Head of Schools, Daycare and Afterschool Facilities
Children and Youth, City of Aarhus
